The Marion Presbytery of the O. S. Presbyterian
Church will meet in this place on Tuesday next and remain in session for two or three days.

Weather and Crops.

The weather, for a few days, has been remarkably
warm, for this season. The farmers are busily engaged putting in their wheat, rye and barley. Corn has come on finely and, in a few days, will nearly all be out of the reach of the frost.

Tiffin Union School.

The fall term of our Schools commenced last

Monday. The attendance, we understand, is good and everything starts off finely. Mr. De Wolf is assisted by an able corps of teachers, who have at heart the good of the cause. The High School department is crowded.

The State Fair.

Will commence on Tuesday and continue four

days. Let everybody attend. We hope to see a

host of farmers and a large number of entries

from this county. Preparations have already

been made to amply accommodate all. Tiffinites

can go down in the morning and return in the

evening of the same day. Passengers carried for

half price—articles for exhibition free.

Wooster's Book and Drug Store.

We call attention to the advertisement of Mr.

J. F. Wooster, in another place. Mr. Wooster

keeps on hand a fine assortment of Druggs, Books,

Stationery, Wall Paper, Window Shadles and all

kinds of "Yankee Notions."

He will always be

found in the corner room, Shawhan's Block,

ready to wait on his customers.

For the State Fair.

The following is the Tiffin Time Table, on the

S. D. & C. H. R., during State Fair week:

Concert.

Prof. E. M. Foote will give a Concert in Web-

ster Hall, on Tuesday evening next, assisted by

Miss. Jennie Pierce and Mr. F. H. Pease.

The reputation of this troupe is sufficient guarantee

for a full house. Mr. Pease is a splendid pianist

and Prof. Foote and Miss Pierce are vocal amaz-

ers of the first quality. We can assure our citi-

cians that a royal treat is in store, for the lovers of

poesy and song.

Camp Meeting Fight.

A rough-and-tumble fight occurred at the

Camp Meeting Grounds, in Hopewell township,

last Sunday, interrupting the religious exercises

and scandalizing the day and the occasion.

The bystanders generally pitched in, to quell the

disturbance and the Constable, in trying to arrest

one of the parties, received a couple of black eyes.

The belligerent parties however, were arrested and brought to Tiffin on Monday for trial, by consta-

ble Beard.

The Washington Republic.

Commences its second volume under very

flattering auspices, and as an inducement to in-

crease its already wide and extensive circulation,

the terms of subscription have been reduced as

follows: Four copies for \$5; or ten copies for

\$10. The Republic contends mainly for the

cause of humanity; is a reliable exponent of Re-

publican principles, and deserves the united sup-

port of the party. Address Weston & Coombs,

Washington, D. C.

The Gipsies.

Are again in this vicinity. The party consists

of about thirty persons, men, women and chil-

dren. They have some fifteen wagons and thirty-

five or forty horses. Their encampment is sit-

tuated about half a mile out on the southern road.

On last Sabbath, the curiosity of our citizens

was somewhat excited, they visited the Gip side's

encampment in large numbers. The latter, how-

ever, were remarkably quiet, and manifested no

disposition to engage in "fortune telling."

Several good looking young girls belong to the

bands of wanderers; and there is also with them

an old lady of the reputed age of one hundred

and six. They are on their way south.

The Boston Olive Branch.

Has recently undergone some important im-

provements, which will render it quite a favor-

ite in the household and literary circles.

—Instructing and entertaining, it happily main-

tains all the departments of literature without be-

ing too learned and heavy, yet it does not desec-

re the pictorial, blood-and-thunder, coarse sphere,

which too often characterizes many otherwise

readable journals. The assistance of several ad-

ditional writers, is announced, and to those of our

readers in want of such a paper we would ad-

vise them to subscribe for the Olive Branch.

Henry Upham and George L. Dix, Boston, Mass.
